

# Memory Support Therapeutic Recreation

According to the Centers for Disease Control and Prevention, up to 42% of residents in long-term care communities are struggling with cognitive impairments. Here at DevonHouse, we provide support for those living with dementia and Alzheimer's as part of our recreation program. We provide a structured program to aid those with memory or cognitive impairments, here are some of the programs we provide!

- Music therapy with Family Pillars Hospice
- Drum Circle – residents make their own music!
- Every morning starts with a sing-along or exercise.
- Magic painting – no paint needed, just water! Watch the colors come alive!
- No-Bake Club – the smells & tastes ignite the senses!
- Floral arrangements with Bloomerang!
- Pet therapy with our Lehigh Valley Therapy Dogs.
- Guided walking club & guided exercise for all abilities.
- Balloon games & parachute circle – colorful stimulation is proven to be positive for those with impairments & makes it fun for everyone!
- Interactive story time with volunteers & staff.
- Sensory videos & custom content for those with dementia.
- Hand-under-hand guidance for all activities.
- We also offer adapted Bingo so anyone can play!
